

As European Clinical Research Organization (CRO) we are supporting biotech companies in bringing new and innovative therapies to market. Through a succession situation, the company has new owner-operators and we are now modernizing the company, while maintaining its "DNA". Hence, we are a dynamic "start-up" with 30 years of knowledge!

FULL-TIME / PART TIME / INTERNSHIP / WORKING STUDENT

Young Talent with Solid Business Sense(m/f/d)

What We Offer You

- ✓ Firsthand insights into a firm founded in 1995 that recently **had a succession (via MBI)** and will be **modernized and digitized**
- ✓ Exciting range of topics, steep learning curve and direct collaboration with our **managing directors (Serial Entrepreneurs, ex Hedge Fund Manager, ex Harvard, ex BCG)**
- ✓ A work environment of a sophisticated team with direct contact to our clients, lawyers, and consultants
- ✓ **Dynamic startup culture** that allows you to bring-in your own ideas and values
- ✓ Fast-track to develop the **relevant skillset** and **practical experience** for your own **startup or MBI**
- ✓ Flexible location and working hours (compatible with student schedule) and attractive remuneration

Your Opportunity With Us

- ✓ **Direct work with our managing directors** on tasks related to **M&A** and/or **Finance** and/or **Business Development** and/or **Marketing, Branding and CSR**
- ✓ Work on exciting projects in various fields **based on your individual profile and preferences**. Tasks may include **client contact, concept creation, operational management, excel modeling, convincing presentations, reports, and correspondence, brand development, implementation of new business processes and tools**

Your Profile

- ✓ You are a **Business Student (Bachelor, Master, MBA, PhD)** at a **top-tier university** (or planning a gap-year and/or recent graduate)
- ✓ You have **previous experience** (e.g., through internships) in **Investment Banking, Consulting, or Startups**
- ✓ You like to work **independently** combined with a **can-do attitude** and good **people skills**
- ✓ You understand general business processes and work in a results-oriented manner
- ✓ You **live in Europe** speak **German and/or English** fluently (International experience and additional language skills are a big plus)

Sounds Interesting? Don't wait!
